

Election Night Reporting

Quick Start Guide

The Election Night Reporting (ENR) display provides extensive details on election results. Web visitors can view which candidates are leading for a contest as well as results by precinct and vote type (Precinct, Absentee M100 and Absentee M650). There is a graphical display of the precincts that are currently reporting results and voter turnout by precinct. Reports can be downloaded in various formats and custom filters allow for a refined search on results.

Summary

The Summary tab displays the number of votes a candidate has received by contest.
