RETIREMENT PLANNING MADE SIMPLE

2022

THE OAKLAND COUNTY PART-TIME  
NON-ELIGIBLE 457(b) RETIREMENT  
PLAN—AT A GLANCE

# The Oakland County Part-Time Non-Eligible 457(b) Retirement Plan Information

## WHAT IS THE OAKLAND COUNTY PART-TIME NON-ELIGIBLE 457(b) RETIREMENT PLAN?

You are automatically enrolled in the Oakland County Part-Time Non-Eligible 457(b) Retirement Plan. This Plan is an alternative retirement plan to Social Security. Your enrollment is directed to a target-date fund according to your age. You can change the funds you are invested in by using your online account or contacting Prudential directly. You are 100% vested in both the county's contributions and your own contributions immediately.

The target date is the approximate date when investors plan to retire and may begin withdrawing their money. The asset allocation of the target-date funds will become more conservative as the target date approaches by lessening the equity exposure and increasing the exposure in fixed income-type investments. The principal value of an investment in a target-date fund is not guaranteed at any time, including the target date. There is no guarantee that the fund will provide adequate retirement income.

A target-date fund should not be selected based solely on age or retirement date. Participants should carefully consider the investment objectives, risks, charges, and expenses of any fund before investing. Funds are not guaranteed investments and the stated asset allocation may be subject to change. **It is possible to lose money by investing in securities, including losses near and following retirement.\***

\*As with all investments, there are a number of factors and risks to consider in selecting a target-date fund. In addition to anticipated retirement date, relevant factors for fund selection may include age, risk tolerance, other investments owned, and planned withdrawals. In addition, participants should carefully consider the investment objectives, risks, charges, and expenses of any fund before investing. It is possible to lose money in a fund—including near or following retirement—and there is no guarantee that the funds will provide adequate retirement income. Investments in the funds are not deposits or obligations of any bank and are not insured or guaranteed by any governmental agency or instrumentality.

## HOW MUCH IS YOUR CONTRIBUTION?
