

## PUBLIC ACCESS TO ZOOM/REMOTE HEARINGS

Judge Ryan is only conducting in person hearings for emergency petitions or when the court deems absolutely necessary in the court's sole discretion. All other courtroom proceedings will be conducted electronically using Zoom video and/or audio conferences for parties. Please see the information below regarding how to access the Zoom conferences.

If you wish to observe a court proceeding via Zoom, please check the court calendar at <https://jsos.oakgov.com/OaklandCounty>. If, as a case party, you need to confirm a hearing date or request to appear by Zoom, please email [JudgeRyanChambers@oakgov.com](mailto:JudgeRyanChambers@oakgov.com) or call 248-858-0250.

Participants are reminded that all virtual court appearances are an extension of the courtroom; therefore, parties must adhere to proper conduct and appropriate attire is required. The Judge has full power, including but not limited to contempt power, over remote participants as if they were present in the physical court room.

Zoom hearing participants and viewers are strictly prohibited from recording or otherwise copying court proceedings. Recoding or copying hearings may result in the responsible individual being held in contempt.

If you are not a party to the case and are joining for the purposes of observation only, you must mute your microphone and turn off your video. Any disruptions of court proceedings may result in removal from the Zoom hearing.
