Where is lead hiding in your home?

Learn how to protect your family
from the invisible threat of lead.

MDHHS is an Equal Opportunity Employer, Services and Programs Provider.

HOMEOWNERS AND FAMILIES – ACT NOW.

If your home was built before 1978, you and your family could be at risk of exposure to lead poisoning.

HOW WE CAN HELP.

We can perform lead inspection and removal, which may include:

- Home lead testing
- Installing new doors and windows
- Painting
- Installing exterior siding
- Repairing ceilings
- Repairing porches
- Replacing faucets and plumbing

WHO IS ELIGIBLE?

Homeowners and Rental Property Owners in: Flint and Detroit

- Medicaid enrollee under the age of 19 or pregnant female living in home
- Other low-income households with a child under the age of 6 or a pregnant female living in home

Select Target Areas

(see Michigan.gov/leadsafe for a list of areas)

- Low-income households with a child under the age of 6 or a pregnant female living in home

Statewide

- Medicaid or low-income households with a child under the age of 6 with elevated blood lead level of 5 µg/dL or higher

WHAT IS THE COST?

There is little to no cost for most families enrolled in the program.
