Post Event Surveys

Students, Chaperones,
Exhibitors

Student Survey Highlights

- 84% of 1,153 student respondents said exhibitors provided engaging and interesting demonstrations
- 82% of students said they learned about employment and education/training opportunities they did not know existed
- 72% of students said the event will help them make plans for life after high school

“MiCareerQuest helped me discover many passions and interests.”

Chaperone Survey Highlights

- 95% of 84 chaperone respondents said the event effectively showcased potential careers paths to their students
- 99% said the exhibitors were well prepared for the day.
- 97% said they would be interested in having their schools participate in 2020.

“This was by far the best career exploration event I have ever attended in my 16 years of career and technical education experience.”

Employer Survey Highlights

- 85% of 58 exhibitor respondents said students were interested and engaged in the demonstrations
- 89% of exhibitors said the event was an effective way to showcase their industry to the future workforce
- 96% of exhibitors said they would be interested in participating again in 2020

“We had an amazing time at the event. It was really great to engage with high school students. They had great questions and seemed to really enjoy our booth.”

This Year's Event

- Intermediate School Districts
- Presenting, Platinum and Gold Sponsors
- Suburban Collection Showplace
- Art Craft Display

2023 Event Plans

- Career exploration day for up to 8,000 high school students and chaperones
- Professionals in four in-demand career quadrants
- Students engage with pros through hands-on, interactive and inspiring exhibits showcasing career opportunities

2023 Event Plans

- Exhibits focus on career opportunities, not specific companies
- 20-25 exhibitors per quadrant
- Day split into three, two-hour sessions to accommodate large groups of students
- Student numbers capped to optimize experience

Overview

- Sessions start at 8:15 a.m., 10:15 a.m. and 12:15 p.m.
- Students start at assigned quadrant and experience all four industry sectors
- Each quadrant visit lasts 27 minutes, then students rotate to next one with guides

New for 2023

- 8,000 student registrations max; targeting 2,600 per session
- Hard deadline for school registration; starts mid-August
- First-come, first-serve time slots
- Expanded student exit area – 50% larger; buses park in color-coded lanes

2023 Show Floor

Nearly 400,000 square-feet of space

A Successful Exhibit

- Enables students to “see” and “feel” your work
- Showcases tools of the trade
- Features an engaging, interactive task
- Integrates technology
- Inspires students through enthusiastic professionals
- Distribution of exhibitor literature and company signage not allowed

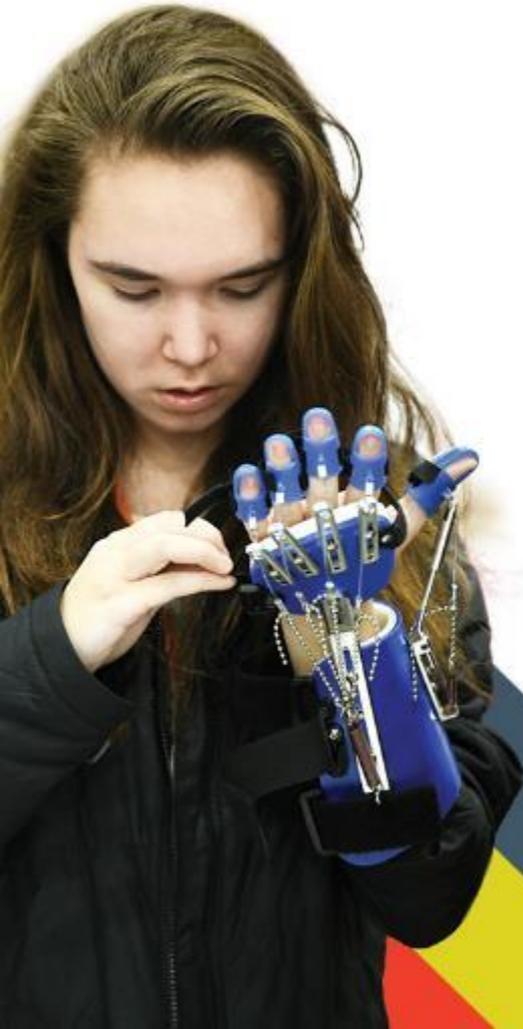

**Let's Hear from Past
Exhibitors**
