

# OVERCOMING

## *(Almost) Every Struggle*

**April 21, 2022**

**11:30 am – 12:30 pm**

**Virtual Session - Microsoft Team**

Consider how someone would cope being raised with these circumstances:

- Shuffled in and out of foster homes
- A single parent suffering with mental illness
- Never meeting their biological father
- Being permanently separated from their sibling at age 8
- Living in 13 different cities by the age of 13
- Growing up in a neighborhood with drugs and crime
- Having your close friends and neighbors either murdered or imprisoned

What is life like after experiencing so many challenges? How does a person overcome these difficulties? Pete Thomas has experienced more than his fair share of struggle. And yet, today he is a successful entrepreneur, CEO, professional speaker, certified Professional Life Coach and author.

Join us for a lively, interactive and upbeat (yes, upbeat) presentation designed to encourage and empower you to tackle life's challenges head-on.
