This proposal, if approved by the electors, will continue the authority last approved by the electors in 2018 and which expires with the 2023 levy for the Bloomfield Hills Schools to levy a building and site sinking fund millage, the proceeds of which will be used to make improvements and repairs to the School District's facilities. This millage would provide estimated revenues to the School District of approximately \$3,380,000 during the 2024 calendar year, if approved and levied.
