

Oakland County Manufacturers: ***Open Your Doors to Tomorrow's Workforce!***

FRI **3** OCT
2025

Introduce Our Students to **MODERN MANUFACTURING**

Celebrate with us by opening your doors on Friday, Oct. 3, 2025, from 10:00 a.m. to 1:00 p.m., to provide tomorrow's workforce with an inside look at modern manufacturing.

- Tours for 30 students
- Hands-on activities and opportunities to engage with your employees
- Students learn about career paths, skills needed for success and entry-level positions
- Tour hosts provide lunch to students and chaperones

The goal of this event is to encourage students to explore the high-paying, challenging modern manufacturing career opportunities available to Oakland County.

“Our tour was very inspiring and I learned a lot about manufacturing. I also liked how they showed us how they use the machines and told us about the different jobs at their company.”

Why Oakland County Manufacturing Day is so important?

- Inspires students to consider pursuing a career in modern manufacturing and the skilled trades
- Educates tomorrow's workforce, as well as parents, teachers and counselors, of the many in-demand, high-paying jobs available in Oakland County
- Demystifies common misperceptions about modern manufacturing

MFG Day Alums Now Work in Manufacturing!

A number of students who have participated in Oakland County Manufacturing Day in the past are now working in the field. These include welder Mia Wroblewski, 19, and machinist Kiely Milorch, 20, of NLB Corporation and Bobby Larvick, 27, of EMAG LLC, now a mechatronics technician.

“Manufacturing Day can change the course of your life.”

Mia Wroblewski
