Make your visit a safe one

Michigan State law requires all dogs older than four months to have a license and wear it at all times. Licenses can be purchased at the Oakland County Animal Shelter and Pet Adoption Center or you can contact your city, village or township for information on purchasing a dog license. Dogs must also have up-to-date vaccinations (Rabies, Distemper, Bordetella) and respond to voice commands.

Oakland County Parks and Recreation strongly recommends individuals obtain both rounds of the canine influenza vaccine for their pets in order for their dogs to visit.

Have a doggone good time!
