

2023 North Wixom Road Sinkhole

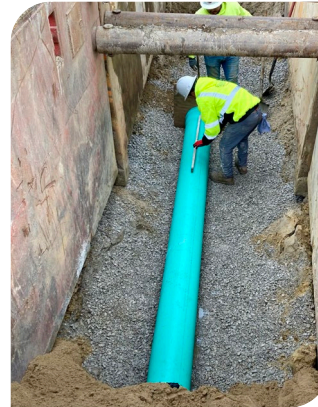

*Crews worked
around the
clock to
complete
repairs in
5 days!*

August 28

A sinkhole appeared on North Wixom Road between Pontiac Trail and Maple Road.

Crews were on the scene to block off traffic.

August 30

Contractors replaced 70 feet of the 12-inch pipe, restoring the storm system's integrity.

September 1

Wixom Road was paved.

The road reopened for traffic later that afternoon.

August 29

Discovered the sinkhole resulted from a leaking portion of the Tribute Drain that deteriorated over time.

Contractors began digging into the road to expose the stretch of pipe that needed to be replaced.

August 31

Crews worked along side the Road Commission for Oakland County to prepare the road to be paved.
