

ANNUAL MOTOR VEHICLE PERMITS

IMPORTANT INSTRUCTIONS

Please read carefully and follow the instructions below completely:

1. Annual Motor Vehicle Permit must be **permanently affixed** immediately to a vehicle. The annual motor vehicle permit is assigned to a specific vehicle. It is not a “family” motor pool permit.
2. Apply permit to lower left corner of inside windshield on **driver’s side of vehicle**.
3. Permit is non-transferable. Permits that are not affixed permanently to the windshield as prescribed will be confiscated.
4. Annual Permit is **valid for park entry at Addison Oaks, Addison Oaks-East, Groveland Oaks, Highland Oaks, Independence Oaks, Independence Oaks–North, Lyon Oaks, Orion Oaks, Red Oaks Dog Park and Rose Oaks county parks**. Parks Perks Pass (joint permit) is valid at these parks as well as at all Huron–Clinton Metroparks.
5. Permit required for archery hunting at Addison Oaks-East, Highland Oaks, Independence Oaks–North, Lyon Oaks, Orion Oaks and Rose Oaks, Oct. 1–Jan. 31.
6. Replacement Permits: If you sell your vehicle or replace the windshield, please save the permit remains and return it to the park or office where it was originally purchased to receive a free replacement permit. **Replacement permits are not issued without the remains of the original permit.**

Permit Removal – Helpful hints

1. Use heat – a hair dryer or heat gun.
2. Adhesive remover – available from local hardware stores and retail centers.
3. Razor blades – use with care.
