

ADVANCED MANUFACTURING

Alro Steel: CAD Operator, Machine Operator

ANCA: Application Engineering

ATS Midwest | LIFT: Augmented Reality/Factory Automation, Augmented Reality/Virtual Reality MIG Welder

BorgWarner: Application Engineer, Battery Engineer, Controls Engineer, Data Science Engineer, Electrical Engineer, Mechanical Engineer, Systems Engineer

Great Lakes Boat Building School: Boat Builder, Marine Electrician, Marine Technician

Great Lakes Water Authority | Focus Hope: Chemist, Engineer, Maintenance Technician, Plant Technician, Water Technician, Welder

Ilmor Engineering, Inc.: CNC Machinist, Engine Builder, Marine Engineer, Trackside Engineer

Jackson College: Additive Manufacturer, CAD/CAM Programmer, Industrial Designer, Production Technician, Robot Automation Technician

JR Automation: Application Engineer, Controls Engineer, Electrical Engineer, Mechanical Engineer, Robotics Technician

Macomb Community College Engineering & Advanced Technology | IST | FANUC: Robotics Technician

Macomb Community College Engineering & Advanced Technology | LECO: Materials Processing Technician

Macomb Community College Marine Tech Program: Marine Technician

Martin Technologies: Automotive Engineering, Motorsports Technician

Mayville Engineering Company: Maintenance Technician, Quality Engineer, Quality Technician

Mercury Marine: Marine Technician

Metronor: Metrologist

Michigan Boating Industries Association: Marine Technician

Michigan Manufacturing Technology Center: Additive Manufacturer, Applications Engineer, Automation Engineer, Data Analyst

Oakland Community College Manufacturing and Industrial Technologies: Automotive Technician, CNC Machinist, Mechatronics Engineer, Robotics Technician

Oakland Schools: Controls Maintenance Technician, Industrial Designer, Materials Scientist, Robotics Engineer

Our Next Energy: Coating Technician, Process & Production Technician/Engineer

Paslin: Robot Programmer

Triumph Geared Solutions - Macomb: Advanced Manufacturing Engineer, CNC Machinist

Washtenaw Community College: Auto Body Repair Technician, Automotive Service Technician, CNC Machining Technician, Welder / Fabricator

WENZEL America: Application Engineer, Service Engineer

Williams International: Airframe and Powerplant Technician, CNC Machinist, Manufacturing Engineer, Mechatronics Technician

Wonderland Marine West: Marine Technician

Participating Exhibitors & Showcased Occupations

CONSTRUCTION

Barton Malow: Safety Manager, Virtual Design Managers

Bricklayers and Allied Craftworkers Union - Local 2: Brickmason

City of Farmington Hills: Road Maintenance Operator

City of Rochester Hills: Equipment Operator

Detroit Plumbers Union Local 98: Plumber

Hatzel & Buehler | Bluestone Communications | International Brotherhood of Electrical Workers, Local 58: Electrical Contractor

IBEW Local 58 | Detroit EITC: Electrician, Inside Construction Wireman Apprentice, Residential Wireman Apprentice, Sound, Communication and Data Management Apprentice, Technician

Lawrence Technological University: Architectural Engineer, Civil Engineer, Concrete Technologist, Construction Engineer, Construction Safety Professional

MEWDC | Consumers Energy | DTE | Other Members: Customer Service Representative, Electric Lineworker, Gas Technician, Renewable Energy Technician, Underground Cable Splicer

Michigan CAT: Heavy Equipment Repair

Michigan Regional Council of Carpenters and Millwrights: Carpenter, Millwright

Michigan Statewide Carpenters and Millwrights: Carpenter

MUST Construction Careers | Michigan Building & Construction Trades Council: Asbestos and Abatement Worker, Boilermaker, Bricklayer, Carpenter, Cement Mason, Construction Contractor, Drywall Finisher, Electrician, Elevator Constructor, Glazer & Glassworker, Heat & Frost Insulator, Iron Worker, Laborer, Millwright, Operating Engineer, Painter, Pipefitter, Plasterer, Plumber, Roofer, Sheet Metal Worker, Sprinkler Fitter

Oakland Community College: Electrician, HVAC Technician

Oakland County Water Resources Commissioner | Oakland County Parks | Oakland County Facilities Management: Electrician, Maintenance Mechanic

Operating Engineers 324: Heavy Equipment Mechanic, Heavy Equipment Operator

Powering Michigan: Electrician, Sound and Communication Installer Technician

Roofers Union Local 149 | JATC Training Center | SMRCA: Roofer

SEMCA | Lee Industrial Contracting | Action Traffic: Electrician, Rigger, Traffic Control Specialist

Spalding DeDecker: Survey Technician

The Christman Company: Carpenter, Foreman, Project Manager, Superintendent

Media Contact: Joe St. Henry

HEALTH SCIENCES

American Water Works Association: Civil Engineer, Environmental Scientist, Hydrologist, Lab Technician, Stormwater Management Professional, Wastewater Treatment Operator, Water Treatment Operator

City of Novi: Fire Fighter, Police Officer

Corewell Health: Central Processing Technician, Certified Registered Nurse Anesthetist, Circulator Nurse, Surgical Technologist, Trauma Prevention RN

Corewell Health | General Electric: Ultrasound Technician

CVS Distribution Center: Pharmacy Technician, Warehouse Associate

Eastern Michigan University: Orthotist, Prosthetist

Jackson College: Respiratory Therapist

Jackson College EMS: Advanced Emergency Medical Technician, Emergency Medical Responder, Emergency Medical Technician, Paramedic

Joint Venture Hospital Laboratories - JVHL: Medical Laboratory Assistant, Medical Laboratory Scientist, Medical Laboratory Technician, Phlebotomist

Lawrence Technological University | Orrum Analytics: Biomedical Engineer, Cardiovascular Perfusion

Life Support Training Institute | Superior Air Ground Ambulance of Michigan: Emergency Medical Services

Livingston County EMS: Emergency Medical Services

Macomb Community College: Occupational Therapist, Physical Therapist Assistant, Registered Nurse - RN, Surgical Technologist, Veterinary Technician

Matrix Human Services: Teacher

Medstar Ambulance: Emergency Medical Services

Michigan Rehabilitation Services - Business Network Division: Occupational Therapist

Michigan State University College of Veterinary Medicine Veterinary Nursing Program: Veterinarian, Veterinary Nursing

Michigan State University Extension: Youth and Family Health Program Instructor, Youth Leadership and Healthy Living Supervising Educator

Oakland Community College: Dental Hygienist, Medical Assistant, Nursing, Respiratory Therapist

Oakland County Sheriff's Office: Corrections Deputy, Dispatch Specialist, Road Patrol Deputy

Oakland University School of Health Sciences: Dietitian, Environmental Health and Safety, Epidemiologist, Exercise Scientist, Medical Laboratory Scientist, Orthotist and Prosthetist Assistant, Physical Therapist, Public Health, Radiologic Technologist, Wellness and Health Promotion

Team Rehabilitation Physical Therapy: Physical Therapist

Trinity Health: Computed Tomography Technologist (CT), Interventional Radiology Technologist (IR), Medical Lab Scientist, Medical Laboratory Technician, Pharmacist, Pharmacy Technician, Radiologic Technologist / X-Ray Technologist

Washtenaw Community College: Dental Assistant, Radiology Technician, Sterile Processing Technician, Surgical Technologist

INFORMATION TECHNOLOGY

AccelerateKID®: STEM/STEAM Educator

AECOM: Civil Engineer, Environmental Engineer, Environmental Scientist, Geologist

Auto Diesel Institute of Michigan: Automotive Technician, Diesel Technician

Brandmotion: Integration Technician

Danlaw, Inc.: ADAS Systems Engineer

Detroit Public Television: Broadcast Engineer/Technician, Producer, Social Media Content Creator

EV Jobs Academy | Macomb Community College: Electrical Engineering Technologist

Ferris State University: Autonomous Vehicle Engineer, Electric Vehicle Engineer

Genisys Credit Union: Help Desk Technician

Jackson College: Cybersecurity Analyst

Made You Look, Custom Designs and Apparel: Graphic Designer

MIAT College of Technology: Aviation Maintenance Technician

Michigan Council of Women in Technology Foundation: Software Developer

Mobis North America: Autonomous Vehicle Engineer, Mechanical Engineer, Software Engineer

NSF: Lab Technician – Engineering, Chemistry, and Microbiology

Oakland Community College | CREST: Dispatch Operator, Emergency Medical Technician, Federal Law Enforcement, Firefighter, Police Officer

Oakland Community College Business and Information Technologies: Programmer

Oakland University School of Engineering and Computer Science: Electrical and Computer Engineer, Mechanical Engineer, Robotics Engineer, Software Developer

SEMI Career & Apprenticeship Network: Computer Engineer, Electrical Engineer, Electronics Repair Technician, Process Engineer, Semiconductor Process Technician

SMART: Data Analyst/Scientist, Maintenance Technician, Urban Planner

The SkySocket Team | University of Michigan at Dearborn CECS: Software Developer, System Developer

University of Michigan at Dearborn: Biomedical Engineer, Mechanical Engineer

University of Michigan at Dearborn | Electrical and Computer Engineering: Automotive Engineer, Machine Learning Engineer, Robotics Engineer, Software Engineer

Washtenaw Community College: Cyber Defense, Cybersecurity Analyst, Information Security Analyst, Information Security Engineer
