- 5. **Equal Employment Opportunity.** If this Contract meets the definition of "Federally Assisted Construction Contract" under 41 CFR Part 60-1.3, then during the performance of this Contract, Contractor agrees as follows:
 - 5.1 The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
 - 5.2 The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

- 5.3 The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
- 5.4 The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this Section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- 5.5 The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- 5.6 The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- 5.7 In the event of the Contractor's noncompliance with the nondiscrimination clauses of this Contract or with any of the said rules, regulations, or orders, this Contract may be cancelled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- 5.8 The Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: *Provided, however*, that in the event a Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

OAKLAND COUNTY, MICHIGAN

LOGO BRAND STANDARDS

PRIMARY LOGO

Oakland County has two logos that can be used interchangeably. Use the Horizontal Two Trees logo as your default choice. This is our primary logo. The Stacked Logo can be used whenever space or size is a consideration in your publication. Either logo is acceptable for all Oakland County publications.

However, **only one style of logo may be used per publication**. For instance, if you have the horizontal logo on the front of a publication, you can't use the stacked logo elsewhere in the document.

Pick one logo style for each publication and use it throughout, do not mixed styles.

HORIZONTAL "TWO TREES" LOGO

STACKED LOGO

BRAND COLORS

The primary Oakland County logos use the following brand colors.

Color	PMS	CMYK	RGB	HEX

Prosper Orange	Black C	0.0.0.100	0.0.0	#000000

Accent colors for the brand are pulled from two other major servicemarks for Oakland County. These colors may be used as secondary colors in publications.

LOGO VARIATIONS

Logos should appear in full color when used in a full color design, whenever possible. However, if the publication requires a single color version of the logo, choose either all-black or all-white. No other color is acceptable.

WHITE SPACE

A prescribed amount of space around the logo must be maintained at all times.

In no event shall County be considered a dealer, remarketer, agent or other representative of Contractor.

ADDITIONAL PROGRAM TERMS

For purposes of this Contract, "**Spend**" shall mean County's paid-for purchases, net of taxes, shipping costs, returns, discounts, credits, any incentives amortized for the applicable period, rebates actually paid, employee purchases under any type of purchasing program, postage, shipping and mailing services, technology items, non-code and special order furniture, paper, gift cards and warranties, and "**Contract Year**" shall mean the twelve (12) month period, commencing on the Effective Date and each subsequent twelve (12) month period thereafter during the Initial Term or any Renewal Term.
