- PHASE 2 CONSTRUCTION: 2026/2027
- PHASE 3 CONSTRUCTION: TBD

Schematic Design – PHASE ONE

April 2024

- Site clearing/grading
- Minor parking lot repairs
- Remove existing restroom
- Gathering/welcome plaza
- Pavilion repairs/updates
- Warming kitchen/storage
- Restroom (4 seasons)
- Playground with Poured-In-Place Surfacing
- Site lighting
- Infrastructure for EV charging stations
- Amenities (tables, benches, bike racks, trash, signs)
- Landscaping

Oak Park Woods

SCHEMATIC DESIGN PRECEDENTS

EDGES & ENTRIES

- Naturalized no mow seed mix along street and parking lots
- Widen sidewalk along Northfield
- Green(er) parking lots
- Welcoming entrance points into parking areas and from parking areas into the park

Oak Park Woods
SCHEMATIC DESIGN PRECEDENTS

GATHERING AND PLAY SPACE

- Protection of as many trees as possible
- Remove existing restroom building
- Periodic vehicle access
- Repair shelter/new pad/lighting/amenities
- Warming kitchen/storage on west end of shelter
- Centrally-located restroom
- Picnic pods for small gatherings

Picnic Pods

Complementary Warming Kitchen and Storage

Refreshed and Refinished Pavilion

Updated Lighting

GATHERING AND PLAY SPACE

- Destination playground
- Spilling in/out of forest

Oak Park Woods
SCHEMATIC DESIGN PRECEDENTS

GATHERING AND PLAY SPACE LANDSCAPE

- Transitional from sunny meadow to woodland understory
- Defines spaces
- Edges control access to planted areas
- Transition from seed mixes at edges to more formalized, but low maintenance, landscapes at the center of the gathering area
