

## Oakland County DEI Training Organizational Billing Registration

Thank you for your interest in Oakland County DEI training courses. In order for employees of your organization to individually enroll in course sessions, the following information must be on file with our Fiscal Services division.

Please provide authorization for payment information as indicated below. This form will serve as a one-time authorization and will be used for all employees within your organization. It is your responsibility to discuss training requests with individual employees prior to registration. We are unable to confirm authorization for payment of each course session prior to individual enrollment.
