To enroll in Teladoc Health, you must opt into at least one program that Your Employer or health plan offers as a health benefit. You must also meet the health criteria for each program you wish to enroll in. Program includes trends and support on your secure Teladoc Health account and mobile app but does not include a phone, tablet or smartwatch.

Those who are pregnant, have diabetes or have a BMI that's lower than the program minimum may not qualify for the Teladoc Health program.
