The Main Event is extra special this year with the 25th Anniversary Celebration of the Main Street Oakland County Coordinating Program. Downtown Rochester was the first community to join the program in 2000; so, we are pleased to be at The Roxy Rochester again this year.

This event is about recognizing the past year’s notable successes while celebrating all the projects accomplished with the dedicated people involved, including elected and appointed officials, district leaders and volunteers, economic developers, partners, and small business owners from across Oakland County.

Award winners can inspire every community to take their activities to the next level—keeping their downtown or corridor ever improving and vital. Award categories this year include:

- Spirit of Main Street
- Legacy of Main Street Excellence
- Main Street Jubilee
- Achievement in Community Character or Historic Preservation
- Business Innovation & Entrepreneurship
- Community Event of the Year
- District Placemaking
- Small Business Retention and Attraction
- Volunteer of the Year
- Main Street Resilience
- Outstanding Partnerships
- Main Street Leadership

Formal, Business, or Black and Silver-themed attire is encouraged.
