

TIPS FOR A SUCCESSFUL DOG PARK EXPERIENCE

- Dogs may fight to protect themselves or something/someone else. If dogs begin to spar, do NOT reach between them with your hands! Get your dog's attention with voice commands or a loud noise. Once separated, dogs should be taken to a neutral area to calm down. If this happens more than once, the dog may be too aggressive for the dog park and should leave the enclosure. Incidents should be reported to the Oakland County Sheriff's Office Dispatch at 248-858-4950.
- Dog owners must monitor their dogs at all times, picking up waste as needed. If an owner is distracted, it is proper protocol to alert the owner.
- It's up to you to keep your furry friend under control. Owners bear full responsibility and liability for their dog's actions and behavior.
- Shock collars and metal choke chains are not allowed inside the dog park.
- Communal water bowls and pools are not allowed in the dog park as the water could become contaminated and could cause illness or parasites in your canine friend.
- Some dogs love to dig. However, holes in the dog park may cause a human or another dog to sprain an ankle or injure a leg. If your dog digs, fill in the hole immediately.

Rules to Remember

1. Michigan State Law (MCL 287.268) requires all dogs older than four months to have a current Michigan dog license, which can be purchased at either the city or county in which the dog resides. To be licensed, proof of current vaccinations must be shown for the dog.
2. Michigan Law requires the dog owner to display a current license on the dog and is required for use of the dog park. This helps keep all dogs safe and reduces the chance of spreading disease among dogs.
3. Maximum of two dogs per park guest in the park at any one time.
4. No dogs younger than the age of four months.
5. No food is allowed in the dog park - this includes human or pet food.
6. Communal water bowls and pools are not allowed. Individual dog water bowls are allowed within fenced dog run areas, but are not to be left out and unattended for other dogs to share.
7. All balls and other dog toys must be taken with guests when they leave. Any items left in the park will be disposed of at the end of the day.
8. Dogs exhibiting any signs of illness should be kept at home and away from other dogs.

Use of the Oakland County Parks and Recreation Dog Parks is governed by the parks system's Rules and Regulations enacted by the Oakland County Parks and Recreation Commission Feb. 8, 1966.
