

# Groveland Oaks 2025 Campground Recreation Schedule

Groveland Oaks Campground offers campers fun, themed weekends throughout the summer. Inflatables, crafts, bingo, entertainment, contests and a rockin' DJ are just some of the popular items offered. Detailed Recreation Activity Sheets are available on Thursdays. The Groveland train runs most weekends in the summer, for just \$3 per guest and boat and bike rentals are also open on weekends during the main season.

If camping during the shoulder seasons or during the week, campers can still take advantage of Groveland's many active areas, including trails, three playgrounds, a bike skills course, gaga ball pit, skateboard park, basketball court, sand volleyball court, bocce ball court, shuffleboard court, ring toss games, mini golf (ball required or sell on-site, fishing and an arcade.

Our recreation team looks forward to seeing you again this summer for new memories and fun! Please see below for specific themes and don't forget your decorations if it is a campsite decorating weekend.
