AIRCRAFT STATIC DISPLAYS

“Join in the excitement and support the Oakland County International Airport Air Show and Open House, which attracts tens of thousands of visitors and features aviation exhibits, entertainment and plenty of family fun.”

David Coulter, Oakland County Executive

The Oakland County International Airport Festival of Flight is one of the finest family entertainment events in Michigan, attracting more than 20,000 individuals. It features a full spectrum of aviation entertainment and exhibits such as championship aerobatic teams, individual performers, World War II aircraft, and a variety of military, commercial and civilian aircraft and vehicles on display. Admission free for attendees.

Oakland County hosted its first Air Show & Open House in 1929 when Orville Wright sanctioned the First Michigan Air Tour to be held at our airport. Today the event is organized by airport staff and a committee of volunteers who are a part of OCIA Air Fair, Inc., a not-for-profit 501(c)4 which exists exclusively to organize and host the event.
