

### Free Summer Meals for Children & Teens

During the summer, many children no longer can get the healthy meals they count on during the school year. That's why organizations and school districts in your area are providing children aged 18 and under with delicious, nutritious meals this summer.

Summer Meals provides FREE, nutritious meals to children and teens 18 and under at sites across Michigan. There's no sign-up required, and no proof of residency or citizenship needed.

The program is available to ALL children in your community, and meals can be enjoyed on-site or, at some locations, picked up or delivered to go. It's a simple way to help your children stay well-fed and happy during the summer.
