

Connecting the Dots: Vaccine Confidence Resources

This guide provides tools and information to enhance your immunization program’s (IP) vaccine confidence activities. Each resource is organized by topic and audience and includes the name of the organization who created it. Share any of the resources with your internal team and external partners that align with your program’s goals! If you would like to suggest a resource for this guide or sign up for AIM’s weekly newsletter, please [email AIM](#).

Effective Communication

For IPs and their Partners

- [Lessons from the Field: Promoting Vaccine Confidence Chapter 1 - The Legislative Process and Other Public Forums](#) | AIM
- [Vaccine Confidence Toolkit Webinar Series](#) | AIM
- [Program Practice Database](#) | AIM
- [Public Health Communications Collaborative \(PHCC\)](#)
 - [Plain Language for Public Health Checklist](#)
 - [Building Trust in Public Health Communications](#)
 - [Communicating More Effectively About Vaccines](#) 
- [Becoming Trusted Messengers e-course](#) | Voices for Vaccines
- [Communications Planning Guide for Local Health Departments](#) | National Association of County & City Health Officials (NACCHO)

Links that include print/digital promotion materials:

- [Evaluating Online Health Information](#) | [VaccineInformation.org](#)
