This administrative order is issued in accordance with Michigan Supreme Court Administrative Order No. 2019-1. The purpose of this order is to establish a courthouse security committee.

At the direction of the chief judge, a courthouse security committee is established effective September 1, 2019. The chairperson of the committee is the chief judge of the 52nd District. The 52nd District has four locations, is unified under one chief judge, and has established unified policies and procedures. We work closely with the Oakland County Sheriff's Department to ensure proper court security and will meet regularly with our security team to ensure proper policies and procedures across all four locations. Each of our four court administrators is responsible for managing operations at their location and all are active on the security committee.

IT IS ORDERED:

1. The security committee shall:
 - Develop and promote security policies and procedures regarding court security and emergency management.
 - Establish goals and objectives specific to improving physical security, emergency preparedness, and employee training.
 - Review all courthouse security incidents and take appropriate corrective measures to mitigate and/or eliminate any security vulnerabilities to prevent future reoccurrences.
2. The chairperson of the committee shall:
 - Facilitate communication, coordination, and decision-making among members

(e.g., facility stakeholders) on policies and procedures affecting court security and emergency management.

- Seek member advice and input on goals, objectives, priorities, and issues involving court security and emergency management.
- Work in consultation with local law enforcement and emergency management professionals. The SCAO regional administrator will be kept apprised of meeting times and locations and be consulted as necessary.
- Submit a report to the SCAO regional administrator by March 31, 2020, and an updated report by March 31 of every year thereafter concerning the actions taken by the committee under subsection 2. The report shall list the members of the committee. It should also describe the court's current security policies and procedures, describe the goals and objectives established by the committee to improve courthouse security, and include a summary of any courthouse security incidents occurring during the reporting period and related corrective measures taken by the court.

3. The security committee shall meet on a quarterly basis at the courthouse of the chief judge unless otherwise designated by the chairperson.
