OC CISMA/OCPR Project Prioritization Criteria

EVALUATION SCORING CRITERIA	Project Title		
Background	**Score 0-5**	**Section Weight**	**Weighted Total**
Applicant provided adequate contact information and description of the project (5= complete and thorough, 3= mostly complete but some information missing, 0= information not complete, project cannot be evaluated)			
Project applicant is a current CISMA member in good standing (5=yes, 3= no, but applicant has no ability to influence membership, 0=no)			
TOTAL	**0**	**0.15**	**0.00**
Project Benefits	**Score 0-5**	**Section Weight**	**Weighted Total**
TREATMENT ONLY: Project addresses a high priority species (EDR, State or CISMA priority species list). (5=definitely, 3=somewhat 1=low priority 0=not a priority)			
TREATMENT ONLY: Project will result in improvements to a high quality and/or rare natural community; or significant vector to a high quality and/or rare natural comunity; or provides significant habitat for rare or unique wildlife or wildlife migration. (5=definitely, 3= improvements to medium quality or underutilized vector 1= improvements to degraded habitat or insignficant vector)			
RESTORATION OR PREVENTION ONLY: Project will result in improvements to a high quality and/or rare natural area/community or is highly visible to the public (5= improvements to high quality/rare/highly visible site, 3= improvements to medium quality or medium visibliity site, 1= improvements to low quality or low visibility site)			
RESTORATION OR PREVENTION ONLY: Project will provide ecological benefits to surrounding natural or human communities (5= tangible benefits provided, 3= incidental benefits may be provided, 0= no measurable benefits identified)			
TOTAL	**0**	**0.35**	**0.00**
Project Importance and Maintenance	**Score 0-5**	**Section Weight**	**Weighted Total**
Project has a reasonable timeline and scope (5= project can be completed within timeline listed and/or OCPR fiscal year and scope will address project objectives, 3= project timeline is unknown or longer than funding period and/or project scope will address some project objectives, 0= project timeline is too long or confusing and/or scope does not address project objectives)			
Future maintenance and/or monitoring is identified and funded (if necessary) (5=yes, 3= partially, 0= no)			
This project has been funded previously (5= no, 3= yes, but additional funding from OC CISMA/OCPR is reasonable, 0= yes, project should continue to be funded through alternate sources)			
If applicant previously applied for CISMA funding did the applicant assist in completing project objectives (5= haven't previously applied or were successul, 3=partially assisted 0=didn't participate/objectives were not met)			
TOTAL	**0**	**0.30**	**0.00**
Budget and Implementation	**Score 0-5**	**Section Weight**	**Weighted Total**
Project budget is reasonable within funding constraints (5= OCPR has adequate funding for project in fiscal year, 3= project can be modified to meet funding constraints, 0= project funding exceeds funding available)			
Project oversight is reasonable for OCPR/OC CISMA staff to ensure success (5= OCPR has contractors and staff available for the style of project proposed, 3= OCPR can bid contracts or amount is low enough to hire contractors, 0= contractors not available and/or staff cannot provide project management)			
TOTAL	**0**	**0.20**	**0.00**
